Khulshi, Chittagong 4225, Bangladesh

Invite you to a **Clinical Skills Workshop**
9th & 10th January 2019

To book a place please contact: Prof. Dr. Bibek Chandra Sutradhar Email: bibeksd@yahoo.com

A workshop to introduce new approaches to clinical skills teaching and promote animal welfare at veterinary schools in Bangladesh

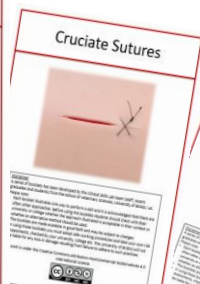

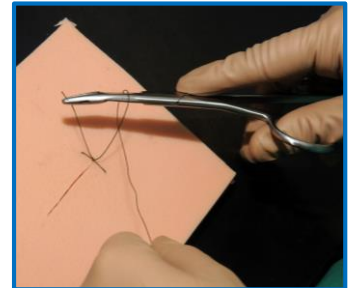

Day 1 (9am to 5pm)

- Introduction to clinical skills and an overview of the workshop
- How to run a clinical skills practical with models
- Making models: Delegates will have the opportunity to make several models that can be used in teaching

Day 2 (9am to 5pm)

- Practise using evidence-based techniques to teach clinical skills
- Design a clinical skills room or facility for your university
- Wrap-up and feedback

Workshop facilitators:

Prof. Sarah Baillie, Emeritus Prof. of Veterinary Education, University of Bristol, UK
Alison Catterall, Clinical Skills Lab Manager, University of Bristol, UK

Local clinical skills & workshop coordinator:

Prof. Dr. Bibek Chandra Sutradhar
Department of Medicine & Surgery, Chittagong Veterinary and Animal Sciences University
