THE DEAN PETER F. HAYNES EQUINE AWARD

Two of Peter Haynes' greatest passions were horses and the development of young minds in the careers of veterinary medicine and research. The Dean Peter F. Haynes Equine Award was established to honor and preserve the legacy of the man who worked tirelessly in the name of equine health and education, and who loved Louisiana State University.

The family requests that gifts be made to the fund at:

REMEMBERING PETER

"Carve your name on hearts and not on marble."

-Charles Haddon Spurgeon

Peter F. Haynes, was born December 14, 1944 in Honolulu, Hawaii to Elroy and Agnes Haynes. After graduating with multiple degrees from Colorado State University in 1974, he took a position at the LSU Vet School as an equine surgeon and teacher. Working in both academics and administration, he served as Dean of the Vet School from 2007 - 2014. He retired after more than 40 years at the school.

Having been an avid practitioner and researcher, his work is found in over 65 publications. Active in numerous professional organizations, he served as President of the AAEP in 1992. He is survived by a sister Susan Shaw, a son Greg Haynes and his wife Renee, a daughter Margaret (Peggy) Morgan and her husband Marshall, and five grandchildren, Abigail, Amber and Aaron Haynes, and Connor and Dorian Morgan.

Peter was a dedicated and passionate educator and clinician; his hard work and enthusiasm have been admired by all that have known him. He was devoted to his wife Marcy, his children and grandchildren.

Peter was our friend, our our colleague, our mentor and our former Dean. We celebrate his lifelong devotion to family, the love and care of animals, the advancement of the veterinary profession through teaching, research and service, the education of young people, and the building of lifelong friendships.

His legacy of integrity, healing and love will live on in those who knew him best.
